The ICANN Business Constituency (BC) appreciates the work of the CCWG-Accountability on its Work Stream 2 recommendations (posted at <https://www.icann.org/en/system/files/files/ccwg-accountability-ws2-good-faith-01feb17-en.pdf>)

The BC endorses the draft recommendations on Guidelines for standards of conduct presumed to be in good faith associated with exercising removal of individual Directors of the ICANN Board.

This comment was approved in accord with the BC charter.
